

Rutherford Public Schools - Special Services Department and SEPAC

Workshop on March 20, 2019

The Special Services Department and the Special Education Parent Advisory Committee cordially invite you to the following presentation:

Topic:	Incorporating Technology into Applied Behavior Analysis Interventions
When:	March 20th from 7pm to 8pm
Where:	Lincoln School - Music/Art Room
Presenter:	Mrs. Bridget Lowe, M.A., BCBA

Description:

As today's technology continues to advance, electronic devices have been incorporated into various Applied Behavior Analysis (ABA) interventions and teaching procedures. This workshop will review various ways in which technology has been researched and systematically applied to interventions, such as reinforcement systems, communications systems, and teaching procedures (e.g., video models, activity schedules).

So that we may plan accordingly, please email me at mhoen@rutherfordschools.org by Tuesday, March 19th to confirm your attendance.

Thank you.

Michelle M. Perez Hoen
Supervisor of Student Services
